Charming 3-Bedroom Home in Quiet Richmond Hill Cul-de-sac

This charming semi-detached home is tucked away at the end of a quiet cul-de-sac in Richmond Hill—private, peaceful, and full of potential. Step inside to warm wooden floors, a sunny living room, and a modern kitchen with an electric oven, gas hob, and extractor fan—ideal for easy everyday living.

Two of the three bedrooms come with built-in cupboards, and the bathroom is neat and modern with a shower-over-bath combo. Out back, the low-maintenance paved garden is a great space to relax or entertain, with the bonus of a cellar storeroom and an outside loo.

There's no garage or off-street parking, but the peaceful location more than makes up for it. Whether you're starting out or looking for a solid investment, this home has loads of potential and a great feel from the moment you step through the secure front patio.
